

## **Class registration handout**

### **Interviewer name:**

1. What's your name? (Interviewer, put your name too, but *above*.)
2. What city, town, or community where you've spent time do you most closely identify with?
3. What real-world field are you most interested in applying the CS skills to?
4. Are you currently taking fundies? Have you already?
5. What can you do well using computers? (For example: do you have a programming language you're great at? Web design ? Do you have 1000 instagram followers?)
